4 Bedroom, 3.50 Bathroom, 1,840 sqft
Single Family on 0.00 Acres

The Hamptons, Edmonton, AB

Introducing a stunning 2 storey home that boasts a beautiful open-to-below design w/ skylights allowing for the beautiful sunlight to fill the room. This unique layout offers a larger main floor footprint, resulting in an expansive basement that surpasses most homes of similar size. The fully finished basement features one bedroom, a massive family room, a full bath all w/ high ceilings that allow for larger windows & tons of natural light. Upstairs, you'll find a generous master bedroom complete w/ an en-suite featuring a large soaker tub—perfect for some relaxation. There are two spacious bedrooms, ideal for a growing family. The main area includes a front room that can serve as a piano room/den. The open floor plan seamlessly connects the kitchen, dining area & large living room, making it perfect for entertaining family and guests! Located in a quiet cul-de-sac on a large pie-shaped lot, this home also features a sizable deck for outdoor gatherings. Conveniently located close to schools and shopping.
